

RG Fenn Safer Driving Policy

Part of RG Fenn's commitment to ensuring that its drivers, employees, customers and the general public are safe, this policy aims to provide the basis for a long-term partnership in 'safer driving';

- The policy has been widely accepted by operational staff and drivers alike, as it is believed to be making a positive contribution to road safety and the attitudes and behaviours of employed, sub-contract and agency drivers.
- The policy seeks to encourage the public at large, customers and other road users to respond when the experience or view driving that is below the required standards to make contact by providing an email address and telephone number that can be used to comment on or criticise driving standards.
- Each vehicle or trailer being used by RG Fenn will have a decal on the back, clearly displayed under the "RG Fenn Safer Driving" banner where contact details are clearly displayed, readily accessible for the general public to make comments on our driving standards. Once we receive a contact report, we commit discuss it with the driver and a response sent to the person who reported it.
- Every Driver who works for RG Fenn or via it for one its customers is made aware of the "Safer Driving" programme and how its reporting plays a significant role in the public's perception of the business.
