

HGV Class 1 Drivers for (4on 4off TRAMPING)

Fenn Logistics have been trading for over 20 years and are looking for HGV Class 1 drivers, working a 4 on 4 off shift pattern. During the 4-day shifts, you will be away from home tramping, 3 nights in every block of 4 shifts.

Based in Burton on Trent you will be working for our largest client who is an International food manufacturer who supply confectionary, coffee and water from their Tutbury and East Midlands Gateway facilities to major retailers, cash & carry's and independents throughout the UK. This is a clean job with all work being done on box trailers with very little manual handling involved.

This is a role where you share a vehicle with another driver and we remind you that **smoking in a commercial vehicle is against the law**. You must be over 25 and have held a HGV licence for a minimum of 2 years, although we will consider drivers with less than 2 years with some experience and will accept **Limited** Company Drivers who are IR35 exempt.

This shift pattern of '4 on 4 off' offers a great work-life balance and you would work 182 shifts a year compared to the 260 shifts on a normal 5-day (Monday-Friday) role.

Fenn Logistics is offering a competitive annual salary of £31,200 (paid weekly including meal allowance and night out rate) equating to £600 per week, £171 a day or approximately £16 an hour and only work 3.5 days / week average.

Interviews can be held at short notice in Burton upon Trent, if you meet the criteria.
